### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The prior art of record do not anticipate nor do they reasonably suggest the paper cutter, material trimmer and material cutter as claimed in claims 1, 17 and 24.

The closest prior art, Cornell et al (US 5,802,942) discloses a trimmer comprising many of the claimed elements as noted in the previous Office Actions. However, Cornell et al lacks a first width that is wider than a second width. The Examiner agrees with the Applicant that the teachings of Takacs (US 3,108,349) would not have been an obvious modification. Note Applicant's Amendment filed on 3/22/2006. Moreover, Cornell et al lacks the foot as claimed in claims 17 and 24.

Since none of the other prior art of record rairly teach or suggest these lacking features, it is believed that the claimed inventions are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles Goodman whose telephone number is (571) 272-4508. The examiner can normally be reached on Monday-Friday between 8:30 AM to 6:00 PM EST.
